*A reflection on the world today...*

## THE BRIEF

PRIDE & PREJUDICE - Borrowing the title from Austen's classic novel, we want to see how you interpret its central themes of Pride and Prejudice.

Morality, social standing, race, religion, sexuality - we want to see the world through your lens. We are looking for original, imaginative, contemporary, and powerful images that catch the eye with the ability to create emotion.

Photograph using ILFORD Photo or Kentmere black and white film and print the image yourself in the darkroom on either ILFORD Photo or Kentmere traditional black and white photographic papers.

Your image should be well framed and shot then printed with careful attention to detail, including dust removal and borders.
